MEMORANDUM

To: Barbara Bard; Council Administrator
CC: File
From: Engineering Division
Date: September 30, 2025
Subject: Eversource Pole Petition – 395 Main Street

Per your request, we have reviewed the proposed Petition for Joint or Identical Pole Locations on Main Street submitted by Eversource. Based on our review we have the following comments:

1. Agawam confirmed there are no conflicts with existing or proposed Town owned utility locations. However, Main Street is within the MassDOT jurisdiction and Eversource should confirm directly with them that the pole will not interfere with their underground utilities and acquire any necessary permits.

Engineering reserves the right to make additional comments as new information is submitted. If you have any questions please do not hesitate to contact this division.

Sincerely,

Benjamin Ashley Jr., E.I.T
Civil Engineer II
